tion will be made.

The last victim of the tripple drowning at the seaside resorts, Willie Steel, has been recovered. His body was lound at the same spot where the ac-

Professor Rork, state lecturer of the farmers' alliance, will lecture at Veronia, Monday, August 17; at Wilson, Tuesday, August 18; at Warren, Constituted the examining board.

Of Pebble and Mr. J. A. Vannyke, and has been mustrated to as once of our friends here who has done one of our friends here who has done this best to assist Mrs. Holden, the widow of M. Holden who was killed at Thursday, August 20; at 8 p. m. in each place. All invited.

Last Sunday night as the T. J. Potter was on her way up from the sea-side she can into a fishing boat in the vicinity of Cathlamet and caused the drowning of one of the occupants. The men were both Italians but their names we were unable to learn.

The Portland postoffice has been dein its employ over the required fifty week. The post of beautiful to say as to who will be employed in the office so long as they are competent. This will be Shannon. left to the civil service board of exam-

We desire to call the attention of our readers, especially the horticultur-ists, to the article in this issue on the most destructive of the fruit pests, the aphis, by Mr. William H. Dolman. The facts set forth by Mr. Dolman are, seemingly undeniable, and his theory orchard of several hundred trees of visiting friends. various varieties and has been watch. Clerk Quick and party returned scappoose creek, ing the procedure of the different fruit from their trip in the mountains Rev. J. J. Staut pests very closely. His plan for de-stroying the aphis is very simple and comparatively cheap. It also seems very effective in its destruction of the posts. The facts set forth in the above mentioned artisle are well worthy the consideration of all horticulturists.

Last Friday night some one, perhaps with criminal intent, took Rev. Burlingame's horse out of the Lamont pasture and rode him off. Mr. Bur-lingame telegraphed to several diffement parts of the county and state to keep a lookout for the thief. Who-ever attempted the theft probably thought their chance for escape was poor and turned the horse loose and he returned home on Monday, show-ing signs of hard travel. Mr. Burlingame says if it was not done with criminal intent he would like for the party to leave a note next time saying

Rev. M. Burlingame preached to a large and attentive congregation at Deer Island last Sunday. The Sunday school was unusually large for this time of the year, when so many are away to the Seaside, etc. The singing was very good, and there is much interest taken in Sanday School and Church at that place. Among those who were seated in the congregation was Captain Bonser and family of the season of the season of the millimited and success in baring very poor success in building his mill. The work of the millwright is right. The planning of the mill in the start is supposed to be in fault. We wish Mr. Rosser taken in Sanday School and Church at that place. Among those who are expected to meet their examiners once a year at the assembly building.

The accidental drowning of Mrs. P. Rev. M. Burlingame preached to a who were seated in the congregation was Captain Bonser and family of the Mascot, besides several strangers who took a part in the Sunday actorian, has been a sad shock to the school and singing. The people of Doer Island deserve great praise for their efforts in this direction, and the control of the publisher of the publisher of the people of the publisher of the publisher of the been changed to Lowman & Lowman & Lowman & Galagher has been changed to Lowman & Island to try his lack in sawnilling there. He is very efficient in his calling, and he will surely succeed wherever timber abounds.

Seaside heach.

Another drowning occurs? on Clat-sop beach last Sunday. This time a woman of still more prominance than the last. It was Mrs P. W. Parker, sup-erintendent of the composing room of the Morning Astorian and wife of the proprietor. She, in company with a number of other bathers ventured too far from shore and met with a similar undertow as the one that caused the double drowning on North beach last week. At the time of the accident she was in company with a Mr. and Mrs. F. W. Dunn of Astoria. Mr. Dunn, real-Mr. E. C. Blackford has purchased the Clatskanie Chaef of Mr. Shute, the founder of the paper.

A secondary of St. Halons' sports and the control of the paper.

A secondary of St. Halons' sports are the control of the paper. A couple of St. Helens' sports age-ceeded in killing two fine deer on Mil-ton creek last week. One on Friday ton creek last week. One on Friday ton creek last week. One on Friday scen but once afterwards about 100 whichy drinkers. The bedy of Miss Boise who was drowned on North Beach last week, was recovered on Saturday about a mile from the scene of the accident.

We are told that the hay crop of the Columbia bottom is fully up to the over. The body of the drowned woman average, and also that the harvest is was found Monda; morning about a bont completed.

Produce exchanged for goods at with her face almost unrecognizable from being battered on the rocks by We are requested to announce Parker, the 18-year-old daughter is in that Rev.
